FAQs – 1. Is it cheaper to buy flights on Flighthub? Not necessarily. While Flighthub frequently matches or slightly undercuts airline prices, the base fare is often identical to booking directly with the airline. However, you may find better deals if you book a "package" (flight + hotel) or use Flighthub's app tools. For Flighthub flight booking assistance and travel support, passengers can contact +1 888 821 7908 OR +44-203-190-8710 [UK]. 2. What is the cheapest day to buy flights on Flighthub? On Flighthub, Friday is the cheapest day of the week to both book and depart for your flight, according to their travel data. Booking your flight on a Friday instead of a Sunday can save you roughly 3%, while flying on a Friday instead of a Sunday saves up to 8%. Data shows there is no single "cheapest" day to book a flight. While historical advice pointed to Tuesdays, major travel studies indicate booking on Fridays or Sundays offers modest savings compared to other days. However, the day you fly is much more important for savings than the day you book. 9. Are flights cheaper at 3am? Yes, flights departing at 3:00 AM are often cheaper, but booking your ticket at 3:00 AM does not give you a secret discount. 10. What is the 3 seat economy trick? The "3-seat economy trick" is a strategy for couples flying together. The goal is that passengers naturally avoid booking middle seats, potentially leaving the middle seat open for a more comfortable flight.
